Q: What is the Wayne Schools Kindergarten Wrap Around (K-Wrap) Program?

The K-Wrap program is designed to complement and extend a student's overall kindergarten experience in a half day model. The Wayne Schools K-Wrap program offers enrichment activities consistent with the methodology and philosophy of the regular kindergarten classroom instruction. Students engage in activities to provide practice with academic skills while focusing on important social aspects.

Q: When will registration be held for the 2017-2018 K-Wrap Program?

Registration will be **online only** beginning on March 13, 2017 at 9 a.m. and closing on March 24, 2017 at 5 p.m. via the Wayne Schools Community Pass system.

Q: Is there a fee at the time of registration?

At the time of registration, you are responsible for paying the first and last month's tuition (\$250 per month for a total of \$500). All registration deposits are fully refundable through June 30, 2017.

Q: Do I register my child for the Kindergarten Wrap Around program at the time I complete the registration process for 2017-2018 Kindergarten half day program?

No, registration for Kindergarten and the Kindergarten Wrap programs are held separately. Registration for the 2017-2018 Kindergarten will be held during the weeks of February 20, 2017 and February 27, 2017. The K-Wrap program registration will be held **online only** beginning on March 13, 2017 and closing on March 24, 2017 at 5 p.m. through the Community Pass system.

Q: When I register my child at his/her home school for the 2017-2018 half day Kindergarten program, do I register for the K-Wrap session at the home school? What if the program is not offered (or there is not enough room) at my child's home school?

You would register your child initially for the Kindergarten session at your home school. If we are unable to offer a session/spot for K-Wrap at your child's home school, we would most definitely be able to offer you a spot at another Wayne School location. If we have a spot at another location for the K-Wrap program, we would move your child's registration over to the other school, so your child will attend K-Wrap and Kindergarten 2017-2018 **all day** at the same elementary school.

K-Wrap will be offered in any building that has the available space and interest. At this time, sections currently in place at 5 of the Wayne elementary schools will be available again. The hope is to open additional sections in other buildings, but this information will not be available until we complete the central office registration process for the 2017-2018 school year.

Q: If my child attends the Kindergarten Wrap Program and half day Kindergarten at another school (not the home school), will they be placed with any other 'home school' students?

If students attend Kindergarten and the Kindergarten Wrap Program in a school that is not the home school, we will work to group them together in a class with their home school peers.

Q: Is the K-Wrap 2017-2018 program going to be a lottery based system?

If the number of Kindergarten Wrap program registrants for a particular location exceeds the available number of spaces, then a lottery system will be used. We will make every effort to offer a spot to every child who is registered, but cannot guarantee a placement in the home school.

Q: If my child is not attending his/her home school for Kindergarten Wrap and Kindergarten 2017-2018, will transportation be provided?

Transportation to and from school will only be provided for students who qualify based on the NJ transportation requirements.

Q: What if my child requires ELL Services?

Students who require ELL services will need to attend a school that provides these services.

Q: What are the program hours? Does my child eat lunch at school?

AM K-Wrap / AM Kindergarten is held 8:55am - 11:35am

PM K-Wrap / PM Kindergarten is held 12:40pm - 3:20pm

Students who participate in the K-Wrap program will have a lunch hour that consists of eating in the cafeteria with the other grade level students and recess. Your student may bring lunch from home or purchase lunch from the cafeteria. Your child's instructional K-Wrap Aide will escort and accompany them to lunch and their afternoon session.
